## **UNFCCC CLIMATE TALKS IN DURBAN:** **NGO BRIEFING ON THE NEGOTIATIONS**

***Civil society reflections on first day of COP17 and expectations for key outcomes!***

[Durban, South Africa] Climate Action Network – International will host a media briefing, webcast live, to outline civil society expectations for a successful outcome of UN climate talks in Durban beginning this week.

International NGO experts will discuss civil society reflections on the first day of COP17, look into challenges and expectations for outcome on Finance, and highlight the importance of getting a decision on the Kyoto Protocol.

The briefing takes place at the UNFCCC conference venue, on Tuesday, November 29, at 12:30 local time (10:30 GMT), Kosi Palm (ICC MR 21 ABCG) NGO Press Conference Room.

It will be webcast live at: <http://bit.ly/DurbanWebcast>

NGO experts on the panel will include Rashmi Mistry of Oxfam South Africa; Mohamed Adow of Christian Aid, and Tove Ryding of Greenpeace International.
