UNFCCC CLIMATE TALKS IN DURBAN: **NGO BRIEFING ON THE NEGOTIATIONS**

Civil society reflections on the start of the COP17 and the roles of corporations and key Parties.

[Durban, South Africa] Climate Action Network – International will host a media briefing, webcast live, to outline civil society expectations for a successful outcome of UN climate talks in Durban beginning this week.

International NGO experts will discuss civil society reflections on the first days of COP17, look into the country dynamics at Durban, and highlight the impact of corporations on the negotiations.

The briefing takes place at the UNFCCC conference venue, on Wednesday, November 30, at 12:30 local time (10:30 GMT), Kosi Palm (ICC MR 21 ABCG) NGO Press Conference Room.

It will be webcast live at: <http://bit.ly/DurbanWebcast>

NGO experts on the panel will include: Hans Verolme of National Wildlife Federation; Georgina Woods of CAN Australia, and Ferrial Adam of Greenpeace Africa.

What: Briefing on the UNFCCC climate negotiations in Durban

Where: Kosi Palm (ICC MR 21 ABCG) *NGO Press Conference Room*, UNFCCC conference venue, Durban

Webcast Live via www.unfccc.int, or at: <http://bit.ly/CANwebcasts>
