## **UNFCCC CLIMATE TALKS IN DURBAN:** **NGO BRIEFING ON THE NEGOTIATIONS**

*Civil society reflections on the start of the COP17 and the roles of corporations and key Parties.*

[Durban, South Africa] Climate Action Network – International will host a media briefing, webcast live, to outline civil society expectations for a successful outcome of UN climate talks in Durban beginning this week.

International NGO experts will discuss civil society reflections on the first couple of days of COP17, look into the finance negotiations, and highlight the country groups that are having positive contributions to the negotiations.

The briefing takes place at the UNFCCC conference venue, on Wednesday, December 1, at 12:30 local time (10:30 GMT), Kosi Palm (ICC MR 21 ABCG) NGO Press Conference Room.

It will be webcast live at: <http://bit.ly/CANwebcasts>

NGO experts on the panel will include: Raymond Lumbuenamo of WWF, Central Africa; Kelly Dent of Oxfam, and Ilana Solomon of ActionAid USA.
