## **UNFCCC CLIMATE TALKS IN DURBAN:** **NGO BRIEFING ON THE NEGOTIATIONS**

*Civil society reflections on the role of China and the EU and putting the COP in perspective.*

[Durban, South Africa] Climate Action Network – International will host a media briefing, webcast live, to outline civil society expectations for a successful outcome of UN climate talks in Durban.

International NGO experts will discuss civil society reflections on the potentially constructive role of China, look into the what is needed from the EU and a Bishop will discuss the COP in a larger perspective.

The briefing takes place at the UNFCCC conference venue, on Tuesday, December 6, at 12:30 local time (10:30 GMT), Kosi Palm (ICC MR 21 ABCG) NGO Press Conference Room.

It will be webcast live at: <http://bit.ly/CANwebcasts>

NGO experts on the panel will include: Li Yan of Greenpeace East Asia; Tim Gore of Oxfam, and Bishop Geoff Davies.
