UNFCCC CLIMATE TALKS IN DURBAN: **NGO BRIEFING ON THE FINAL DAY OF** **NEGOTIATIONS**

Civil society reflections on outcome of negotiations on finance and the role of the EU and US

[Durban, South Africa] Climate Action Network – International will host a media briefing, webcast live, to outline civil society expectations for a successful outcome of UN climate talks in Durban.

On the final day of negotiations international NGO experts will discuss civil society reflections on the situation in the negotiations on finance and comment on the role of the EU and the US throughout the negotiations and with reflections on their role in these final hours.

The briefing takes place at the UNFCCC conference venue, on Friday, December 9, at 12:30 local time (10:30 GMT), Kosi Palm (ICC MR 21 ABCG) NGO Press Conference Room.

It will be webcast live at: <http://bit.ly/CANwebcasts>

NGO experts on the panel will include: Jason Anderson of WWF Europe; Alden Meyer of the Union of Concerned Scientists, and Harjeet Singh of ActionAid International.
